### **Bluebonnet Feeds**

# EQUIPER E

Equilene® Complete feed is a total diet with roughage included suitable for adult performance, breeding and maintenance horses, including seniors. This specialized formula contains low starch and sugar levels and is fortified with prebiotics and probiotics which allows for safer and more complete utilization of the feed. This feed may be used as a forage extender of fed alone as a total diet.

REDUCED CARBS

Diets low in starch and sugar support better mental focus and help reduce digestive upsets such as colic and ulcers.

"COOL ENERGY"
CALORIES

Plant-derived oils, rich in essential omega fatty acids, are a safe way to increase shine, improve endurance, and add extra weight or body condition to your horses.

PROBIOTICS & PREBIOTICS

Prebiotics and Probiotics help horses absorb more nutrition from their diet and support normal healthy function of the digestive tract and immune system.

SUPERIOR VITAMIN SOURCES

Bluebonnet® Feeds uses only USA and European-sourced, human-grade vitamins. This ensures the highest quality and most stable vitamin package possible.

ORGANIC MINERALS Organic trace minerals used in Equilene® are backed by over 250 published studies. This unique form is actively absorbed and proven to support hoof health, skin & coat quality, and intestinal health.

TRUE-NAME INGREDIENT LISTING

Every ingredient is listed by its True Name on the tag. This offers full transparency of the quality ingredients going into each bag of feed.

RIGID INGREDIENT STANDARDS

Raw ingredients are tested prior to being accepted by the mill, and only the highest standard of ingredients are used. This allows all Bluebonnet® horse feeds to have a Locked-Formula policy which ensures ultimate consistency from batch to batch.

## **Bluebonnet** Feeds

# COMPLE

Fortified with vitamins and minerals, this high quality pelleted feed may replace some or all of teh forage in the diet of horses in all life stages.

#### DAILY FEEDING DIRECTIONS\*:

Adult Maintenance: Feed 1 lb per 100 lb body weight.

#### **Performance**

Light Activity: Feed 1.2 to 2 lb per 100 lb body weight. Moderate Activity: Feed 1.5 to 2 lb per 100 lb body weight. Intense Activity: Feed 2 to 2.5 lb per 100 lb body weight.

Breeding/Growing

Pregnant Mares: Feed 1.2 to 2 lb per 100 lb body weight. Lactating Mares: Feed 2 to 2.5 lb per 100 lb body weight. Growing Horses: Feed 2 lb per 100 lb body weight.

Adjust feeding rates based on desired body condition and forage quality.

\*If feeding hay or pasture at a rate of at least 1% of body weight, you may reduce the above feeding amounts by half.

#### IMPORTANT FEEDING INFORMATION:

- Transition horses onto this feed gradually over 14 days.
  Increase or decrease daily feed to obtain the desired growth, weight gain or body condition.
- Offer clean fresh water and plain white salt at all times.
- Weigh feed and divide feed into two or three separate feedings for best results and safety.
- Store in cool dry area away from rodents, insects and moisture.
- Do not use feed that appears old, molded, or has an unusual odor.

Crude Protein	Min	14.00%
Lysine	Min	0.60%
Methionine	Min	0.20%
Threonine	Min	0.40%
Crude Fat	Min	5.00%
Crude Fiber	Max	21.00%
Acid Detergent Fiber	Max	28.00%
Neutral Detergent Fiber	Max	39.50%
Starch	Max	10.00%
Sugar	Max	4.00%
Calcium	Min	1.20%
Calcium	Max	1.70%
Phosphorus	Min	0.60%
Magnesium	Min	0.30%
Potassium	Min	1.00%
Salt	Min	0.25%
Salt	Max	0.75%
Copper	Min	30 ppm
Zinc	Min	120 ppm
Manganese	Min	120 ppm
Selenium	Min	0.30 ppm
Vitamin A	Min	3,000 IU/lb
Vitamin D	Min	450 IU/lb
Vitamin E	Min	60 IU/lb
Vitamin B12	Min	10 mcg/lb
Riboflavin	Min	2.5 mg/lb
Thiamine	Min	6 mg/lb
Biotin	Min	0.40 mg/lb

#### **PROBIOTICS**

Total Active Bacteria, min, 20.4 Million CFU/lb (Lactobacillus Acidophilus, Lactobacillus Casei, Bifido Bacterium Thermophilum, Enterococcus Faecium)

#### CAUTION: DO NOT FEED TO SHEEP OR COPPER SENSITIVE SPECIES.

INGREDIENTS: Dehydrated Alfalfa Meal, Wheat Middlings, Rice Hulls, Rice Bran, Dehulled Soybean Meal, Calcium Carbonate, Soybean Oil, Lignin Sulfonate, Salt, Yeast Culture, Kelp Meal, L-Lysine, Dried Lactobacillus Acidophilus Fermentation Product, Dried Lactobacillus Casei Fermentation Product, Dried Bifido Bacterium Thermophilum Fermentation Product, Dried Enterococcus Faecium Fermentation Product, Zinc Methionine Complex, Copper Lysine Complex, Manganese Methionine Complex, Cobalt Glucoheptonate, Vitamin E Supplement, Zinc Sulfate, Selenium Yeast, Copper Sulfate, Biotin, Mineral Oil, Magnesium Oxide, Vitamin B12 Supplement, Thiamine Mononitrate, Vitamin A Supplement, L-Tryptophan, Riboflavin Supplement, Folic Acid, Vitamin D3 Supplement, DL-Methionine, Niacin, Ethylenediamine Dihydroiodide, Pyridoxine Hydrochloride, D-Calcium Pantothenate, Contains a source of live (viable) naturally occurring microorganisms.
