

EQUILENE® PRO CARE®

Equilene® Pro Care® is a low starch beet pulp-based feed designed to support normal health of the equine digestive tract. This feed features research-proven ingredients which support normal immune health, lung health, gut health, and enhanced recovery after exercise. Equilene® Pro Care® may be fed to horses of all ages and classes.

GASTRIC BUFFER

The equine stomach produces gastric acid on a continuous basis. This feed contains an efficient natural buffering system to help combat this constant surge of stomach acid.

PLASMA

Plasma contains biologically active components which support normal health of the gut, lungs, joints, and immune system of horses under the stresses of training and performance.

BUTIPEARL® Z EQ

This slow release butyric acid has been shown to strengthen the intestinal tract of the horse, which improves nutrient absorption and provides a strong barrier against pathogens & toxins.

ORGANIC MINERALS

Organic trace minerals, backed by over 250 published studies, support hoof strength, normal healthy stomach lining, a visibly healthy hair coat, and growth of thick healthy soles.

PREBIOTICS & PROBIOTICS

Digestive support from unique prebiotics and probiotics help horses absorb more nutrition from the diet, support a healthy hind gut, and enhance immune health.

YEAST CULTURE METABOLITES

The first feed on the market containing research-proven levels of metabolites which have been shown to reduce stress hormones post-exercise and improve health within the joint capsule.

LOW STARCH FORMULA

Keeping a horse's diet low in starch and sugar helps maintain normal gastric health, hind gut health, and optimum muscle function.

Bluebonnet® Feeds

EQUILENE® PRO CARE®

Low Starch Beet Pulp Based Feed

Supports normal digestive health in horses of all classes.

DAILY FEEDING DIRECTIONS:

All Horses: Feed quality hay at a minimum of 1.5% to 2.0% of horse's body weight.

Adult Maintenance: Feed 0.4 lb per 100 lb body weight.

Performance

Light Activity: Feed 0.5 to 0.6 lb per 100 lb body weight.

Moderate Activity: Feed 0.6 to 0.8 lb per 100 lb body weight.

Intense Activity: Feed 0.8 to 1 lb per 100 lb body weight.

Breeding/Growing

Pregnant Mares: Feed 0.5 to 0.6 lb per 100 lb body weight.

Lactating Mares: Feed 0.6 to 0.8 lb per 100 lb body weight.

Growing Horses: Feed 0.8 to 1 lb per 100 lb body weight.

Adjust feeding rates based on desired body condition and forage quality.

IMPORTANT FEEDING INFORMATION:

- Transition horses onto this feed gradually over 14 days.
- Increase or decrease daily feed to obtain the desired growth, weight gain or body condition.
- Offer clean fresh water and plain white salt at all times.
- Weigh feed and divide feed into two or three separate feedings for best results and safety.
- Store in cool dry area away from rodents, insects and moisture.
- Do not use feed that appears old, molded, or has an unusual odor.

INGREDIENTS: Dehydrated Alfalfa Meal, Rice Hulls, Shredded Beet Pulp, Cane Molasses, Wheat Middlings, Soybean Oil, Dehulled Soybean Meal, Rice Bran, Calcium Carbonate, Yeast Culture, Seaweed-Derived Calcium, Monocalcium Phosphate, Animal Plasma, Lignin Sulfonate, Salt, Zinc Methionine Complex, Copper Lysine Complex, Manganese Methionine Complex, Cobalt Glucoheptonate, Zinc Sulfate, Copper Sulfate, Manganous Oxide, Dried Lactobacillus Acidophilus Fermentation Product, Dried Enterococcus Faecium Fermentation Product, L-Lysine, Selenium Yeast, Vegetable Oil, Butyric Acid, Zinc Oxide, Peppermint Essential Oil, Vitamin E Supplement, Vitamin A Supplement, Vitamin D3 Supplement, DL-Methionine, Biotin, Magnesium Oxide, Vitamin B12 Supplement, Dried Bacillus Subtilis Fermentation Product, Dried Cane Molasses, Thiamine Mononitrate, Ethylenediamine Dihydroiodide, Riboflavin Supplement, Folic Acid, Niacin, Pyridoxine Hydrochloride, D-Calcium Pantothenate, Propionic Acid (as preservative), contains a source of live (viable) naturally occurring microorganisms.

GUARANTEED ANALYSIS

Crude Protein	Min	12.00%
Lysine	Min	0.80%
Methionine	Min	0.25%
Threonine	Min	0.40%
Crude Fat	Min	10.00%
Crude Fiber	Max	17.00%
Acid Detergent Fiber	Max	25.00%
Neutral Detergent Fiber	Max	33.00%
Starch	Max	5.50%
Sugar	Max	8.00%
Calcium	Min	1.50%
Calcium	Max	2.00%
Phosphorus	Min	0.60%
Magnesium	Min	0.30%
Potassium	Min	0.90%
Salt	Min	0.30%
Salt	Max	0.80%
Copper	Min	70 ppm
Zinc	Min	260 ppm
Manganese	Min	260 ppm
Selenium	Min	0.60 ppm
Vitamin A	Min	6,000 IU/lb
Vitamin D3	Min	1,000 IU/lb
Vitamin E	Min	120 IU/lb
Vitamin B12	Min	15 mcg/lb
Riboflavin	Min	9 mg/lb
Thiamine	Min	22 mg/lb

PROBIOTICS

Total Active Bacteria, min, 1.75 Billion CFU/lb
(*Lactobacillus Acidophilus*, *Enterococcus Faecium*,
Bacillus Subtilis)

**CAUTION: DO NOT FEED TO SHEEP
OR COPPER SENSITIVE SPECIES.**
