

Bluebonnet® Feeds

EQUILENE®

TRACK MASTER

ULTRA FAT

Equilene® Track Master® Ultra Fat is a specialized training and performance feed for horses. This premium feed contains beet pulp, prebiotics, and probiotics to produce a nutritionally balanced and highly digestible feed. The elevated fat level provides extra "Cool Energy" calories needed for maximum athletic performance and endurance.

BEET PULP BASED

Providing calories from fermentable fiber sources, like Beet Pulp, helps reduce sugar surges in the body which may help prevent digestive upsets, colic and ulcers.

"COOL ENERGY" CALORIES

Plant-derived oils, rich in essential omega fatty acids, are a safe way to increase shine, improve endurance, and add extra weight or body condition to your horses.

PROBIOTICS & PREBIOTICS

Prebiotics and Probiotics help horses absorb more nutrition from their diet and support normal healthy function of the digestive tract and immune system.

SUPERIOR VITAMIN SOURCES

Bluebonnet® Feeds uses only USA and European-sourced, human-grade vitamins. This ensures the highest quality and most stable vitamin package possible.

ORGANIC MINERALS

Trace minerals used in Equilene® are backed by over 250 published studies. This unique form is actively absorbed and proven to support hoof health, skin & coat quality, and intestinal health.

TRUE-NAME INGREDIENT LISTING

Every ingredient is listed by its True Name on the tag. This offers full transparency of the quality ingredients going into each bag of feed.

RIGID INGREDIENT STANDARDS

Raw ingredients are tested prior to being accepted by the mill, and only the highest standard of ingredients are used. This allows all Bluebonnet® horse feeds to have a Locked-Formula policy which ensures ultimate consistency from batch to batch.

Bluebonnet® Feeds

EQUILENE® TRACK MASTER ULTRA FAT

High fat beet pulp based textured feed
designed for race horses.

DAILY FEEDING DIRECTIONS:

All Horses: Feed quality hay at a minimum of 1.0% to 1.5% of horse's body weight.

Adult Maintenance: Feed 0.75 lb per 100 lb body weight.

Performance

Light Activity: Feed 0.75 to 1 lb per 100 lb body weight.

Moderate Activity: Feed 1 to 1.25 lb per 100 lb body weight.

Intense Activity: Feed 1.25 to 1.5 lb per 100 lb body weight.

Adjust feeding rates based on desired body condition and forage quality.

IMPORTANT FEEDING INFORMATION:

- Transition horses onto this feed gradually over 14 days.
- Increase or decrease daily feed to obtain the desired growth, weight gain or body condition.
- Offer clean fresh water and plain white salt at all times.
- Weigh feed and divide feed into two or three separate feedings for best results and safety.
- Store in cool dry area away from rodents, insects and moisture.
- Do not use feed that appears old, molded, or has an unusual odor.

GUARANTEED ANALYSIS

Crude Protein	Min	12.00%
Lysine	Min	0.55%
Methionine	Min	0.20%
Threonine	Min	0.40%
Crude Fat	Min	10.00%
Crude Fiber	Max	12.00%
Acid Detergent Fiber	Max	8.50%
Neutral Detergent Fiber	Max	17.00%
Starch	Max	30.00%
Sugar	Max	11.00%
Calcium	Min	1.00%
Calcium	Max	1.50%
Phosphorus	Min	0.40%
Magnesium	Min	0.15%
Potassium	Min	0.70%
Copper	Min	40 ppm
Zinc	Min	120 ppm
Manganese	Min	120 ppm
Selenium	Min	0.30 ppm
Vitamin A	Min	3,000 IU/lb
Vitamin D	Min	500 IU/lb
Vitamin E	Min	50 IU/lb
Vitamin B12	Min	15 mcg/lb
Riboflavin	Min	0.50 mg/lb
Thiamine	Min	1.00 mg/lb
Biotin	Min	0.75 mg/lb

PROBIOTICS

Total Active Bacteria, min, 40.8 Million CFU/lb

(*Lactobacillus Acidophilus*, *Lactobacillus Casei*, *Bifido Bacterium Thermophilum*, *Enterococcus Faecium*)

**CAUTION: DO NOT FEED TO SHEEP
OR COPPER SENSITIVE SPECIES.**

INGREDIENTS: Rolled Barley, Whole Oats, Cane Molasses, Dried Shredded Beet Pulp, Soybean Oil, Rolled Oats, Dehulled Soybean Meal, Rice Hulls, Wheat Middlings, Calcium Carbonate, Yeast Culture, DL-Methionine, Dried Enterococcus Faecium Fermentation Product, Dried Lactobacillus Acidophilus Fermentation Product, Dried Lactobacillus Casei Fermentation Product, Dried Bifido Bacterium Thermophilum Fermentation Product, Dried Aspergillus Oryzae Fermentation Extract, Dried Bacillus Subtilis Fermentation Extract, Lignin Sulfonate, Vitamin A Supplement, Vitamin E Supplement, Vitamin D3 Supplement, Copper Sulfate, Zinc Amino Acid Complex, Copper Amino Add Complex, Manganese Amino Acid Complex, Cobalt Glucoheptonate, Selenium Yeast, Manganese Sulfate, Zinc Sulfate, Ferrous Sulfate, Magnesium Oxide, Thiamine Mononitrate, Biotin, Riboflavin Supplement, Vitamin B12 Supplement, Cobalt Chloride, Niacin Supplement, Ethylenediamine Dihydriodide, Pyridoxine Hydrochloride, D-Calcium Pantothenate, Folic Acid, Natural and Artificial Flavors. Contains a source of live (viable) naturally occurring microorganisms.
