Complete Hog

**All Purpose Swine Feed for Pigs
Weighing 50 lb or More.**

Purpose :

Bluebonnet® Complete Hog is designed to be a growing, finishing or maintenance ration for swine. This product is fortified with vitamins, minerals, and other nutrients to help ensure good results.

Features :

- Made with select ingredients that must first pass our strict quality inspection standards before being accepted for use.
- Reduced starch and carbohydrate levels in an easy to digest formula helps prevent instances of acidosis or ulcer formation.
- Contains natural vegetable proteins, NO animal protein sources are used.
- Fortified with vitamins and trace minerals.
- Reliable results can be expected with this consistent quality feed.

For Growing and Finishing Hogs: Feed as a sole ration to swine which weigh 50 lbs and up. Feed free choice or hand feed up to 3% of body weight daily.

For Maintenance: Feed sows and boars 3 to 6 lbs. daily as a maintenance feed.

To Make Slop Mix: This product can also be used as a hog slop mix by wetting with water. Mix at a rate of 1 .5 gallons of water to each gallon of Complete Hog. Amount of liquid can be adjusted to desired consistency. Let stand for several minutes before feeding.
