# Rancher's Choice Breeder Cubes

Protein Supplement Cube for Breeding,  
Gestating, and Lactating Cattle on Range.

## Purpose:

Bluebonnet® Rancher's Choice Breeder Cubes, is a high quality, natural protein feed. This product is fortified with Amaferm®, elevated fat, vitamins, and minerals to help ensure cattle will have the proper nutrients necessary for breeding, gestation and lactation.

## Features :

- Contains Amaferm® which is a natural feed additive, that acts as a prebiotic increasing digestibility to maximize the energy value of feed. It also lessens weight loss in early lactation, improves weaning weight, and allows for better body condition with less feed.
- High quality 3/4" cube designed to supplement protein and energy to cattle on pasture or roughage.
- Higher fat levels enhances the growth of follicles on the ovary, increases the number of cows that cycle, and improves conception rates.
- Contains natural vegetable proteins.
