

Bluebonnet Feeds

VERSATILE[®] RANCH HAND

Quality Feed for Horses,
Beef Cattle, Sheep and Goats

Purpose:

VERSATILE[®] Ranch Hand is a pelleted multi-purpose balanced feed designed for growth and adult maintenance of beef cattle, horses, goats and sheep.

Features:

- Economical multi-purpose pellet for all horses, cattle, sheep & goats. Use for adult maintenance and to improve condition of animals on pasture.
- May also be fed to llama, alpaca, deer and other hoof stock species.
- Quality 5/32" small pellets screened for a very low level of dust and fines.
- Low starch and low carbohydrate levels in an easy to digest formula helps prevent instances of colic, acidosis or ulcer formation.
- Major minerals are balanced through proper formulation to provide the correct levels for maintenance.
- Fortified with zinc, manganese, copper (sheep-safe level) and selenium.
- Fortified with Vitamin A and Vitamin D3 to supply appropriate levels for maintenance.
- Reliable results can be expected with this consistent quality feed.
