

Nature's
Balance

Bluebonnet Feeds

Egg Booster

For Those Who Want The Very Best Laying Feed

Features *Contains natural ingredients including wholesome grains and quality vegetable protein to promote healthy optimum production.*

Available in Crumbled Granules or Niblet Pellets:

- Convenient “crumbled granules” are designed for birds that prefer the smaller size food particles.
- Convenient small “niblet” pellets are designed to minimize wasted feed.
- Contains excellent quality natural protein with calcium and specific minerals that help promote quality eggshell formation.
- Formulated to maximize high quality egg production with bright yellow yolks.
- All-natural vegetable protein. No animal protein is used, which helps ensure high quality, farm fresh wholesome eggs.
- Completely fortified with vitamins and minerals.
- Added prebiotic and probiotic digestive support is included which helps improve the immune system and keeps birds laying more eggs for longer periods of time.
