

# Premium Poultry Conditioner

## Premium Conditioning Formula for Adult Game Poultry

### DESCRIPTION:

Bluebonnet Feeds Premium Poultry Conditioner is a select combination of high-quality grains and performance supporting ingredients. This special ration was formulated to help meet nutritional requirements of game poultry. This ration is fortified with protein, amino acids, energy, vitamins, and minerals, to help ensure ultimate conditioning and fortitude.

### FEEDING DIRECTIONS:

Feed to birds individually by hand once or twice daily. This ration may be fed with other feeds or grains depending upon the birds' requirements. Premium Poultry Maintenance may be fed free-

choice, if preferred. For extra conditioning and excellent results with cocks and hens, use Stride Animal Health's Super Spur game supplement.

**NOTE:** Monitor the condition of your birds and increase or decrease daily feed amounts to obtain desired condition, production or growth rate. Provide plenty of fresh, clean water. Keep feed fresh in cool, dry storage. DO NOT offer bird feed that is old, molded or insect contaminated.

### CAUTION: DO NOT FEED TO SHEEP
